Instructors are required to collect CDAS waivers from each student annually. (NOTE: a special box containing waiver forms, and sign in sheets has been placed by the top entrance to the XC course. The sole purpose of the "Recognized Instructor" is to instruct students. Any schooling of horses by an instructor at anytime is subject to the Cross-Country Course user fees.

It is the responsibility of the Instructor to ensure that all riders on the Cross-Country Course wear legal helmets and vests. Instructors and riders who do not comply will forfeit all rights to use the course the remainder of the current year.

Recognized CDAS instructors, along with their students, are required to adhere to all applicable CDAS policies and rules (attached). Instructors are to make sure gates are closed and locked upon exit of grounds unless other arrangements have been pre-approved by the office.
